Q5. Please provide any further comments about the Teaching Assistant (TA) Mr CHUNG, Peter below. For example, you may write about the good teaching practices that you observed; the improvements the TA could make in his/her teaching; and whether the TA was inclusive to accommodate students from different backgrounds.

1. The TA finished grading my work within a day after I submitted it, showing their diligence.

Explanatory note on the number of students invited:
Starting from AY2025-26 Fall, the enrollment numbers in SFQ reports will be captured from SIS on the day before survey invitation emails are sent. All students enrolled in the course section at that time will be invited to complete the SFQ survey unless an exclusion request has been approved before the survey start date.
